

Chairman Powell, please grant a hearing on this issue in the State of Michigan. I am greatly concerned over consolidation in the media industry, especially radio. I believe that locally-owned, independent radio stations better serve their communities than national mega-media systems. I urge you to put civic needs ahead of entrepreneurial opportunity. Thank you for considering my views!

I call on you to hold an official public hearing in my state.

Before the disastrous 2003 decision to weaken media ownership rules (which a federal court has now overturned), you held only one official public hearing. Further, FCC officials met behind closed doors 71 times with major broadcasters – but only five times with public interest groups. And to justify your actions, you used deceptive, industry-sponsored research data.

The will of Big Media had been heeded at the expense of American citizens and democracy itself. This has to end. Before you rewrite the ownership rules, I demand an official public FCC hearing in my state, impartial and verifiable research, and transparent debates.

It is time to put the needs of democracy – a diverse, skeptical, independent and competitive media system – ahead of profit-hungry media giants.
